

IMPORTANT – LIMITATIONS ON OUR LIABILITY FOR BOOKINGS EFFECTED BY THE CORONA VIRUS

As the worldwide COVID-19 coronavirus pandemic remains ongoing at this time, and other reasons not reasonably foreseeable at this time, travel plans booked through our firm may be interrupted or cancelled by the supplier that is providing them, a government entity or other third party over which Agency has no control. Client assumes full responsibility for independently verifying and adhering to all government border, testing and quarantine requirements. Client understands that pandemic-protective policies and practices may be involved that I will adhere to while fellow passengers may not but I will not hold the suppliers or Agency responsible if I become ill during or upon returning from my travel. I further acknowledge that the supplier's own cancellation, rebooking and refund policies, subject to any applicable law that is now or may later be in effect, will govern Clients rights and remedies, including the right to receive a refund, in such an event. Moreover, Client understands that should Client elect to purchase travel insurance, the terms of the policy will dictate whether, and to what extent, coverage for any financial loss may exist under the circumstances. By making bookings with the Agency, Client hereby agrees to hold Agency harmless and release it from any and all liability for any damages, including but not limited to monetary losses, Client may incur as a result of such interruption or cancellation of these travel plans.
