1A: FARE SAVINGS BY PASSENGER:

This report lists the following:

LOWEST PUBLISHED FULL FARE : This is the amount you would be expected to pay for standard last minute business travel.

ACTUAL FARE PAID : This is the SAVINGS to your company (if any).

FARE SAVINGS CODE : This indicates what type of discount DePrez Travel Bureau, Inc. obtained on your company's behalf.

These savings are sorted by ***TRAVELER*** in this version of the report.

This report should be used to:

- A) Review the total savings being offered your company for business travel. We believe this figure should exceed 20% on a consistent basis.
- B) Identify individuals whose booking and travel patterns are such that discounts are not being obtained. A review of these individual's habits may uncover methods of decreasing your company's travel costs.
